

CHARUSAT[®]
CHAROTAR UNIVERSITY OF SCIENCE AND TECHNOLOGY

National Symposium on Innovative Pedagogy and Assessment Practices

Organized by:
Internal Quality Assurance Cell (IQAC)
Charotar University of Science and Technology (CHARUSAT)

Date: 18 July 2026 (Saturday)
Venue: CHARUSAT Campus,
Changa, Gujarat

About CHARUSAT

Charotar University of Science and Technology (CHARUSAT) has emerged as one of India's leading institutions committed to excellence in teaching, research, innovation, and societal transformation. With a strong emphasis on quality education, interdisciplinary learning, and academic integrity, CHARUSAT continuously strives to create transformative learning experiences for students and educators alike. CHARUSAT is awarded 'Grade A+' by National Assessment and Accreditation Council (NAAC), and has been accorded status of the Center of Excellence (CoE) by the Government of Gujarat (GoG).

As part of this commitment to sustained quality enhancement, the Internal Quality Assurance Cell (IQAC) serves as a vital institutional mechanism for promoting academic excellence, fostering innovation in teaching-learning processes, and ensuring continuous improvement across all dimensions of higher education. IQAC plays a pivotal role in strengthening quality benchmarks, encouraging best practices, and aligning institutional growth with national educational priorities.

As an extension of this mission, IQAC, CHARUSAT is organizing this national-level symposium as a platform for educators, academicians, and institutions to share best practices, showcase innovative teaching-learning models, and explore contemporary approaches to evaluation that enhance student engagement and academic outcomes. The symposium aims to create meaningful academic dialogue and inspire a culture of continuous improvement in higher education.

About the Symposium

Education today demands innovation beyond conventional teaching and assessment methods. In alignment with the transformative vision of NEP 2020, institutions must embrace learner-centered pedagogy, outcome-based education, and meaningful evaluation strategies that foster deep learning and academic excellence.

बोधसृजन 1.0 is envisioned as CHARUSAT's flagship national academic forum dedicated to advancing innovative pedagogy and transformative assessment practices in higher education and school education. As a premier platform of scholarly exchange and thought leadership, the symposium brings together distinguished academicians, faculty members, school educators, academic leaders, and education professionals from across the country.

The symposium aims to showcase exemplary teaching-learning innovations, celebrate impactful classroom transformations, and promote excellence in evaluation practices that enhance student engagement, learning outcomes, and institutional quality.

More than an academic event, बोधसृजन 1.0 is a prestigious platform for reflection, recognition, and collaboration—designed to inspire educators to reimagine teaching, redefine learning, and contribute meaningfully to the future of education.

Objectives

The symposium aims to:

- Promote innovative and outcome-based teaching practices
- Encourage the use of modern pedagogical tools and educational technologies
- Foster scholarly exchange through presentations and academic dialogue
- Showcase innovative evaluation and assessment strategies
- Recognize and reward exemplary teaching and assessment practices
- Strengthen engagement with school educators for academic collaboration

Theme of the Symposium

Creating Meaningful Learning Through Innovation, Reflection, and Assessment Excellence

Sub-themes (Not Limited to)

- Innovative Teaching Practices
- Technology-Enabled Learning
- Innovative Assessment Methods
- Faculty Development & Academic Excellence

Mode: Offline

Presentation Format

Participants are invited to present:

- Innovative Teaching Practices
- Innovative Evaluation Models
- Case Studies of Classroom Transformation
- Technology Integration Models
- Best Practices in Outcome-Based Education
- Academic Innovation Demonstrations

Who Can Participate?

- Faculty Members
